

# Walk a Mile for a Soldier

This march is a tribute to our men and women of our fine military and is our way of honoring them for their service. We want them to know that we, the American people regardless of the political climate, love them, support them, and if we could we would walk a mile for them!

We will also be dedicating the march to those who paid the ultimate price for us and to let their loved ones know they will never be forgotten.

This march is simply a big THANK YOU to our Troops and a dedication to our injured and fallen heroes.

Hundreds of thousands of American troops are deployed in hostile and remote regions of the world, including the Middle East and on ships throughout international waters. The physical conditions they must endure are difficult and they may be separated from loved ones for long periods of time. With the money donated to this march we will be sending care packages to service members overseas. Care packages contain food, toiletries, entertainment items and personal letters of appreciation, all wrapped with good wishes of love and support.
